

Donations needed!

West Hartford Public Libraries' 7th Annual

Our Kindness Project is back and we need your help! Have you read the book **Wonder** by R. J. Palacio? It's a story of learning to show compassion and kindness towards others. In that spirit, the West Hartford Libraries will help those in need by collecting donations to help the community. We are proud to donate to:

- **West Hartford Food Pantry**
- **Fern Street Universalist Church Backpack Program**
