

MORE THAN A PHONE

**We help domestic violence survivors
stay connected to family.
friends.
their job.
the world.**

**Please donate cell phones you no longer need
to any of the West Hartford Public Libraries.**

Bring these phones to the Information Desks, where you will be given instructions on how to delete your personal passcode. The phones will be shipped to the More Than a Phone organization where they will be wiped clean of all content and distributed.

Cell phones will be accepted, regardless of age, water damage, cracked screens, etc.

Thank you for participating
in this important program.
