

Donations needed!

West Hartford Public Libraries' 9th Annual

Kindness Project

The West Hartford Public Library's Annual Kindness Project, now in its ninth year, is inspired by the book *Wonder* by R. J. Palacio and its message of compassion and kindness towards others. Over a 4-week period, we collect donations at all library locations to benefit the West Hartford Food Pantry and Fern Street Universalist Church Backpack Program, at which point they are distributed to community members in need.

- **West Hartford Food Pantry**
- **Fern Street Universalist Church Backpack Program**
